I don't wanna do it no more . . .

But new voices are calling, gettin' clearer each day

D A
Got some mountains to climb, some new songs to rhyme
D E
The sands of time are flowin' and I call the rest mine (and I)

C E A A7
I don't wanna do it no more . . .

Now I'm not feelin' mad and I'm not feelin' sad, regret has never driven my day

Am C Am C
And I'm not checkin' out, I'm just changin' the route
D E

You just might find me sittin' on the dock of the bay (cause I)
