

Kissin' Snakes

C Bev Zizzy

G C7 G A7 D7
I should have known with a name like Stan, you couldn't be trusted to be my man
G C7
But love makes us blind, so I did not see you as
G A7 D7
One "a" from Satan, burnin' to possess me.

G A7 D7 G D7
If I had known those lips had been kissin' snakes, they wouldn't be kissin' mine
G C7 A7 D7 G7 D7
I'd always thought that your heart was true, but you'd been lyin' all the time.

G C7 G7 A7 D7
I was lost in a maze of despair, you offered me a candle when you said that you cared
G C7 D7
So I fell hard for those big blue eyes
G A7 D7
How could I know that you were the devil in disguise?

G A7 D7 G D7
If I had known those lips had been kissin' snakes, they wouldn't be kissin' mine.
G C7 A7 D7 G D7
I'd always thought your heart was true, but you'd been lyin' all the time.

AM D7 AM D7
Now I ain't no angel, I don't mean to lead you on
AM D7 AM D7
I've done my share of bad deeds, Ain't sayin' I've never done wrong
G Cmaj7 C7 AM
But I can't live lost in guilt and pain
G Cmaj7 A7 D7
I've got to find that silver linin' in those cloudy days.

G A7 D7 G D7
But if I had known those lips had been kissin' snakes, they wouldn't be kissin' mine.
G C7 A7 D7 G D7
I'd always thought that your heart was true, but you'd been lyin' all the time,
G D7 G D7 G D7
You'd been lyin' all the time, you'd been lyin' all the time, you'd been lyin' all the time.
