

It's Not Those Special Days

c Bev Zizzy

Verse 1:

 A
It's not those special days that get me
D A E
Birthdays and holidays don't bring me the blues, no no
A
I can take anniversaries, darlin',
 D A E
Cause I laugh and celebrate and think about you
 A
It's all those days in between, when I long for your smile
 D A E
To help me make it through the next little while
 A
It's all those days in between, when I long for your touch
D A E
Cause I been missin' you so damn much
 A
Its all those days in between, it's all those days in between

Verse 2:

 A
It's not those special days that get me
D A E
Birthdays and holidays don't bring me the blues
A
I can take anniversaries darlin'
 D A E
Cause I laugh and celebrate and I'm thankful for you
 A
It's all those days in between when I need you to walk through that door
 D A E
And echo the laughter that we'd shared before
 A
It's all those days in between when I'm struggling to survive
 D A E
Cause the hole in my heart that you left me with still bleeds inside
 A
It's all those days in between
