Everyday I have a conversation with myself, telling me I've got be more kind

G7 A7 G7 A7 - - -

To show some lovin' for the one I am, a temple housing the divine

G7 A7 G7 A7 - - -

I tell myself to let it all unfold, to let the universe respond

G7 A7 G7 **A7 // A7 B**

Then my Control Demon rears its head and I blame myself, blame myself for all that goes wrong

Chorus 1

C D Em C D E

Taming my demons never lets me rest, perhaps it's time for me to know

C D E G A B // B A

They're part of me, they're part of everyone / they make us human, make us whole

C D E C D E

Without them we would be that lonely soul, perfect in every way

C D E G A **(B // B A G //)**

High on that mountain looking down upon / all that is less in every way / 2x

Verse 2:

G7 A7 G7 A7 - - -

What is it makes me feel so driven, to reach perfection at all times?

G7 A7 G7 A7 - - -

Perfection never leads to happiness, and it's a cold and lonely climb

G7 A7 G7 A7 - - -

It only takes me to a higher place from which I'm sure to fall

G7 A7 G7 **A7 /// A7 B**

I tell myself it's not a perfect world, and I'm not the ruler, not the ruler, not the ruler of it all

Chorus 2:

C D E C D E

Taming my demons never lets me rest, though I have been with so much blessed

C D E G A B // B A

But I'll keep on fighting to love myself / and all my less than perfect guests

C D E C D E

Taming my demons never lets me rest, though I have been with so much blessed

C D E G A B **(B // B A G //) B A C**

One day I'll learn to love myself // and all my less than perfect guests // (2x)
